

General JustCo FAQs

Accessing JustCo centres

When are you open?

Mon–Fri, 8.30am–6pm except public holidays, with 24/7 access for JustCo members

Can I access your centres after office hours, such as on Saturdays and Sundays, or after work hours, or even 24/7?

Our aim is to provide the perfect office environment for you and your team to thrive and focus.

Depending on your membership plan, you can access your JustCo home centre 24/7— including weekends and Public Holidays.

This gives you the flexibility to work whenever inspiration strikes.

Can I access any of your centres around the world?

JustCo members enjoy access to all JustCo centres, while THE COLLECTIVE members receive extended privileges across every location during business hours.

You may also use any available hot desk at other JustCo centres worldwide during their regular operating hours, excluding weekends and Public Holidays. (Furthermore, please note that centres may be unstaffed outside business hours.)

Looking for a job or open roles?

Thanks for considering JustCo!
